**Historical Fact: Most of the people doing the slaughtering
were Christians. Sorry if you can't handle the truth.**

The useful idiots, the leftists who are idealistically believing in the beauty of the Soviet socialist or Communist or whatever system, when they get disillusioned, they become the worst enemies. That's why my KGB instructors specifically made the point: never bother with leftists. Forget about these political prostitutes. Aim higher. [...] They serve a purpose only at the stage of destabilization of a nation. For example, your leftists in the United States: all these professors and all these beautiful civil rights defenders. They are instrumental in the process of the subversion only to destabilize a nation. When their job is completed, they are not needed any more. They know too much. Some of them, when they get disillusioned, when they see that Marxist-Leninists come to power—obviously they get offended—they think that they will come to power. That will never happen, of course. They will be lined up against the wall and shot.”

How Your Body Rebuilds Itself in Less Than 365 Days

FACT: Your entire body totally rebuilds itself in less than 2 years -- and 98% in less than 365 days. Every cell in your body eventually dies and is replaced by new cells. Everyday is a new opportunity to build a new body.

When the last tree is cut, the last
fish is caught, and the last river is
polluted; when to breathe the air is
sickening, you will realize, too late,
that wealth is not in bank accounts
and that you can't eat money.
